

GRACE'S
LIST

GET INVOLVED

BECOME A VIRTUAL VOLUNTEER

YOU CAN HELP YOUR LOCAL COMMUNITY —
OR EVEN THE OTHER SIDE OF THE GLOBE —
FROM YOUR OWN HOME.

Every day, volunteers across the planet lend a virtual hand from their computers, tablets and phones. All you need is Internet access and a heart to help those in need.

Partnering with GracesList is a great way to get involved on the world stage, learn more about other cultures and make an altruistic impact for communities both near and far.

**WANTED: Internet researchers,
writers, and social media users**

IS VIRTUAL VOLUNTEERING RIGHT FOR YOU?

From flexibility to expanded horizons, there are many pros to online volunteering.

Virtual volunteering could be a perfect fit if:

You require flexible scheduling for your hectic schedule

You have challenges to your mobility or are without a vehicle

You want to volunteer outside your community, state or country
